3. **Because of the fact that the handling of mail necessitates a wash-up period for employees, two (2) wash-up periods, up to five (5) minutes each, will be granted daily. They will consist of a wash-up period before lunch and before end tour. Management will grant additional time if necessary.**
4. **Management shall make an effort to notify employees one hour in advance of overtime (required or voluntary) except in emergency situations.**
5. **Two (2), Ten (10) minute breaks will be given to clerks, one (1) before and one (1) after lunch, consistent with the needs of the service. Clerical breaks will not interfere with customer service responsibilities (dispatch times or retail service). ALL clerks scheduled for four (4) hours will receive one break within those four (4) hours. ALL clerks scheduled for six (6) hours will receive a second break or lunch, within those six (6) hours.**
6. **No employee will have more than one lunch period or break in service in one day.**

Article 10 – Leave

1. **PSE employees will be allowed to submit vacation leave after all career employees have made their vacation selections.**

MEMORANDUM OF UNDERSTANDING

3. Employees will be notified to submit vacation requests on January 2nd to be turned in no later than January 31st. Approved vacation time will be posted for all employees during the week of February 15th.

5. A minimum of fifteen (15) percent [never less than one (1) craft employee] in the craft will be granted annual leave during one (1) time period. Fractional percentages of .6 or greater will allow an additional employee off.
6. Incidental leave requests shall be granted on a first come basis. Simultaneous requests will be granted based on seniority and equity. Normally, requests shall be submitted no earlier than 30 days in advance and shall be acted upon no later than **five (5) days from management's receipt and must be documented on PS Form 3971, or the leave will be considered approved.** Management will make every effort to approve the incidental leave requested. In reviewing incidental leave requests, management may consider all absences in the office.
7. **Request for additional weeks of annual leave, changes or forfeitures, must be submitted by letter to the Installation Head for his consideration at least fourteen (14) days prior to subject period. These weeks will then be offered by seniority if submitted on the same day.**
8. **Vacation shall start on Monday of the bid week. Exceptions may be granted by agreement among the Employee, the Union Representative, and the Employer, and must be requested at the time the vacation selections are submitted.**
9. **Employees may not bid vacations if not expected to have the necessary hours of annual leave prior to that vacation. Any employee who exhaust his annual leave before his or her scheduled vacation period shall have that schedule vacation declared null and void. However, under extenuating circumstances and in accordance with the provisions of the Employee Labor Relations Manual, the employee may submit a request to the Installation Head for LWOP covering the same period.**
10. **An employee who is called for Jury duty during the employee's scheduled choice vacation period or who attends a National State or Regional Convention (Assembly) during the choice vacation period is eligible for another period provided that period has not been selected by another employee.
